IMPORTANT STUFF YOU NEED TO KNOW

All diving must be done within recreational sport diving limits: depths 130' or less, no-deco bottom times, standard compressed air or nitrox (<40%) as a breathing gas.

Limit one scuba tank per diver. Pony bottles do not count as a second tank.

Specific start/finish times vary by event. Please confirm these when you sign up.

Directions to all landings & Veterans Park are on our website.

All dives are weather-dependent and may be changed or cancelled at our sole discretion.

You must show your certification card(s) if asked. No c-card, no scuba diving.

A general briefing is conducted for each trip and is mandatory for all divers.

Avalon trips are generally 3 dives. Vets Park dives are single-tank.

There are some additional fees for the nitrox class.
